

**Whitinsville Christian School
Senior Privilege Authorization Form**

Per the Parent Student Guidebook, p. 32, it states:

“Seniors who do not have class during eighth period may be given parental permission to leave campus at the beginning of that class period. Students must sign out in the office and leave the school grounds. Students found loitering anywhere on school campus will be subject to loss of this privilege. Seniors who have not been given parental permission to leave must remain in an assigned study hall until the close of the school day.”

If your student has an 8th period study hall, with your permission granted below, he/she may sign out at the beginning of 8th period after checking in with their assigned 8th period study hall. However, they MUST sign out in the office and leave campus and may not return for extracurricular activities until 2:40 p.m. Students must report to their assigned classrooms if they do not sign out within the first five minutes of 8th period.

Consequences of leaving without permission, or when the student has a scheduled class may include a detention and/or loss of this privilege.
