Homework/Reading Time: Quiet time will be provided for Grade 3-5 students to work on and complete homework. However, this time should not be considered a tutoring service. Staff will help students with their homework as time permits, but are not responsible for the completion of the work. If students are finished with their homework, they will be expected to read quietly during the remainder of the time. This time may also include read-aloud chapter books.

Students participating in extracurricular activities (sports, tutoring, music lessons, etc): Students will be permitted to sign out to go to an activity 15 minutes before it begins (with written parental permission). If coming to the program late from an extracurricular activity, students must be signed in upon arrival. Please note that written permission by the parent is required in order for a child to sign him/herself in/out. Please include dates and times that your child will be leaving and/or returning to the program.

Safety: It is our goal to keep your child safe while participating in our program. The Aftercare Program follows the guidelines/rules outlined in the WCS Parent/Student Guidebook. It is very important that any medical conditions pertaining to your child be identified on the registration form. The leaders of the Aftercare Program are trained twice yearly on the proper way to administer an epipen for students who have a doctor's order on file in the nursing clinic. Students who require an inhaler will be given supervised access to the clinic to self-administer the inhaler as long as there is a doctor's order on file.

Pick-up: Please pick up your child using the doors at the rear of the main building. If you are unable to enter through the back (due to the locked door), please call the WCS Aftercare phone line, 508-282-2052. **if your child is in K-5. If your child is in preschool,** please ring the doorbell. A parent, or person designated by the parent, may pick up their child anytime between 2:45-5:45 pm. Persons other than the parents of the child will be required to show a photo ID upon picking up the child.

Snacks: Students should always bring their own snack to Aftercare. On special occasions, a snack may be provided by the Aftercare leaders. On these occasions, the snack will adhere to the WCS food policy.

Technology: Per WCS school policy, no cell phones, personal game players, etc are to be used by students attending Aftercare. Reading tablets are permitted for reading only.

Behavior: School guidelines for behavior and consequences apply during Aftercare hours. It is expected that all students will follow and adhere to the same rules that are required of them during the school day. If there is a behavior infraction that warrants the parents to be notified, the following steps will take place:

First offense: The student will be notified that he/she has exhibited behavior that warrants a home communication form to be completed. When the child is picked up from Aftercare, the parent will receive a copy of the communication form and a copy will be placed in the child's Aftercare records.

Second offense: Parents must meet with Aftercare staff to discuss the child's behavior and formulate a plan to assist the child with their behavior challenges.

Third offense: Aftercare privileges for the student will be suspended for 5 school days.

Please speak with your child(ren) about behavior expectations during the Aftercare Program. We appreciate your full support in making the Aftercare Program a safe, engaging, and pleasant environment for all students.

Bus students: Students taking the bus will also participate in the Aftercare Program. The fee is \$3.50 per day with no registration fee required. Students will participate in all group activities until the bus arrives at school to pick them up. Please fill out the registration form (omitting the payment) and indicate that your child will be riding the bus home from school.

Registration: If you anticipate using aftercare more than twice per semester, you must register. Not only is it a financial savings for you, it helps us anticipate student needs. Students who are not registered and attend aftercare do so with the understanding that their time in aftercare is due to an emergency or unplanned situation.

Registration is online and can be found at <https://www.whitinsvillechristian.org/students-parents-2/aftercare/>
