

WCS BOOSTER CLUB

CRUSADERS

November 15, 2023

Dear Friend of WCS Athletics,

We would love to team up with you for the 2023-'24 season through a business sponsorship. Your support allows us to equip and encourage student athletes beyond the limits of the athletic budget as they pursue excellence and strive to achieve the highest level of success in MIAA competition.

To give some insight about how the booster club supports our teams, in the past year, sponsorships have helped provide the following opportunities. Your donations will allow us to continue supporting our student athletes in the coming years.

- A new discus pit for our track and field teams
- Supporting the soccer teams with HUDL video review and performance analysis tool
- Championship team gear for the Cross Country, Girls Tennis and Track and Field
- Supporting fall team pink nights as the community raised funds for cancer research
- WCS athletics feathered flags
- State Championship Banner for Track and Field Awards banner updates in the Nehemiah Center
- Magnetic record board updates for school records and individual state championships
- Providing plaques to celebrate our seniors
- Financial assistance for team banquets
- A shared purchase with the tech department for a new projector

Sponsorship Opportunities

GOLD SPONSORSHIP: \$750 or \$500 (Silver + Outdoor Banner)

Our athletic programs are one of the most successful in Central Massachusetts. Throughout the school year, a potential for 7,000 athletes, spectators and visitors come to our track and field complex to compete, watch contests, and simply use our facilities. This creates a wonderful opportunity to advertise your business. *A limited number of banners will be available.*

- New or Renewal: A one year 4'x6' (\$500) or a 4'x10' (\$750) banner of your company information and logo to be displayed along the fence of our upper athletic field through the spring, summer, and the following fall season. This sponsorship also includes all of the benefits of the \$250 silver sponsorship tier.

SILVER SPONSORSHIP: \$250 sponsorship

- A link to your businesses website on the WCS Athletics website page, plus social media recognition
- Your business name on the electronic screen in the Nehemiah Gym during home games winter through fall of '24
- An advertising space on the Memorial Day Pancake Breakfast placemats

Sponsorship is due by 12/8/23

With Blessing and Gratitude
